Inhalation If symptomatic, move to fresh air. Get medical attention if symptoms persist.
Skin contact Wash with soap and water. Get medical attention if irritation persists after washing.
Eye contact Any material that contacts the eye should be washed out immediately with water. If easy to do, remove contact lenses. Get medical attention if symptoms persist.
Ingestion
Seek medical advice.
Most important symptoms/effects, acute and delayed
Direct contact with skin and eyes may cause irritation.

Treat symptomatically.

5. Fire-fighting measures
Suitable extinguishing media
Carbon dioxide (CO2). Foam. Dry chemical. Water fog.
Unsuitable extinguishing media
None known.
Specific hazards arising from the chemical
Self-contained breathing apparatus, operated in positive pressure mode and full protective clothing must be worn in case of fire.
Special protective equipment and precautions for firefighters
Move containers from fire area if you can do so without risk.

6. Accidental release measures
Personal precautions, protective equipment and emergency procedures
Ensure adequate ventilation. In case of spills, beware of slippery floors and surfaces. Wear shoes with non-slip soles. Wear protective clothing as described in Section 8 of this safety data sheet.
Methods and materials for containment and cleaning up
Stop the flow of material, if this is without risk. Prevent entry into waterways, sewers, basements or confined areas. Dike the spilled material, where this is possible. Clean surface thoroughly to remove residual contamination.
Small Spills: Wipe up with absorbent material (e.g. cloth, fleece).
Large Spills: Use a non-combustible material like vermiculite, sand or earth to soak up the product and place into a container for later disposal.

Environmental precautions
Never return spills to original containers for re-use.

7. Handling and storage
Precautions for safe handling
Avoid contact with eyes, skin, and clothing. Use only with adequate ventilation. Wash thoroughly after handling. Observe good industrial hygiene practices.
Conditions for safe storage, including any incompatibilities
Keep container closed.
